SINGLES – Seems everyone wants some ketchup this week with *The Ketchup Song (Asereje)* by **Las Ketchup** debuting at #1 in its first week on the chart. This is the 28th single to debut at #1 on the ARIAnet chart and pushes *The Logical Song* back to #2. **Holly Valance** pushes up one place with her second single *Down Boy* while **Eve** moves into the top 5 and equals her highest ARIAnet chart position of #4 with *Gangsta Lovin'*.

No.1 THE KETCHUP SONG (ASEREJE) – Las Ketchup. Landing the #1 spot on the ARIAnet singles chart this week and making its ARIAnet chart debut is the song that's been hailed as "the new Macarena", *The Ketchup Song* by **Las Ketchup**. **Pilar, Lola, and Lucia**, the trio's members, are all daughters of famed Spanish flamenco guitarist, **Tomate**. *The Ketchup Song* has been a dance floor hit in clubs across the Mediterranean, getting to #1 in ten European countries and across central and South America.

No.11 LIFE GOES ON – LeAnn Rimes. Country/pop singer **LeAnn Rimes'** latest single *Life Goes On*, debuts this week at #11 on the ARIA charts. It's the first single from **LeAnn's** latest album '*Twisted Angel*'. **LeAnn** achieved the #1 position last year with her hugely successful, 3x Platinum, single *Can't Fight The Moonlight* from the '*Coyote Ugly*' soundtrack.

No.21 THE ZEPHYR SONG – Red Hot Chili Peppers. Those hardcore funk-sters, the **Red Hot Chili Peppers** are back with the second single off *By The Way* (which is now 2x Platinum), *The Zephyr Song*, which enters the ARIA charts this week at #21. The first single off the new album, *By the Way*, reached gold status, and a high point of #6 earlier this year. The **Chili Peppers** will be here later this year for their *By The Way* tour.

No.42 HELLO WORLD – Saddle Club. *Hello World*, is the theme song to the movie *Saddle Club*, from the television series of the same name (based on the novels written by popular children's author **Bonnie Bryant**). *Hello World* features vocals by three of the movies stars, **Keenan MacWilliam, Sophie Bennett, & Lara Jean Marshall**.

No.43 MY VISION – Jakatta. Featuring the vocal talents of **Seal**, **Jakatta's My Vision** debuts at #43 this week. **Dave Lee**, the man behind **Jakatta**, is highly respected across the UK as one of the most prolific house producers of the past decade, and has worked his magic with **Raven Maize**, as well as **Joey Negro**.

No.64 RUN – Pacifier. No matter what name they go by, there's no denying that these boys know how to rock, and they're back in the charts this week with the second single from their self-titled album to prove it. Their debut single as **Pacifier**, *Comfort Me*, did big business on the alternative charts earlier this year, debuting at #2. **Pacifier** have just been confirmed to play at next year's Big Day Out festivals.

No.90 JUST VISITING PART 2 – Cog. Hailing from Bondi, 3 piece band, **Cog**, release the second part to their official debut release "*Just Visiting Part 2*" CD EP. Described as "resembling some sort of progressive rock", you can decide for yourself by catching them on tour in NSW throughout October.

No.92 I'D DO ANYTHING – Simple Plan. Canadian rock quintet, **Simple Plan** (who were recently on tour with the M-One festival), make their debut on the ARIA top 40 Singles chart with "*I'll Do Anything*" creeping in at #92. *I'll Do Anything* is taken from the album, "*No Pads, No Helmets...Just Balls*" (released earlier this year), also featuring the single "*I'm Just A Kid*".

No.94 BRAND NEW DAY – GT. Australian DJ / Producer, **GT** (aka **Groove Terminator**) releases the second single "*Brand New Day*", from his upcoming album *Electrifying Mojo*, this week. Earlier this year *Lovesong (this is not a)* made its way to #7 on the ARIA Dance chart.

ALBUMS – **Elvis** is still alive and well at #1 this week with his 30 #1 *Hits* album, while **John Farnham** has debuted at #2 with his latest album *The Last Time*. No serious movement until the #8 position where **Xzibit** has debuted at #8 with his album *Man Vs Machine* with the **Red Hot Chili Peppers** reentering the top 10 after an absence of one week with the album *By The Way*.

No.2 THE LAST TIME – John Farnham. *The Voice* has once again shown that he is the king of Aussie pop. **Farnham** has had no less than seven #1 albums since 1988 as well as four albums making it to #2. *Whispering Jack* has sold a staggering 17x platinum (1.2 million copies) with a further nine albums selling in excess of 3x platinum. With his last ever tour being announced, **Farnsy** mania has gripped the country with over twenty Entertainment Centre gigs sold out, with 100,000 tickets sold in one day. Fittingly this album (which won't be his last) is titled *The Last Time* and without the effect of **Elvis** at the moment, this would have been his eighth #1 album.

No.8 MAN VS MACHINE – Xzibit. **Xzibit's** last album *Restless* peaked at #53 in February 2001, while this, his latest album, has certainly seen him breakthrough here in Australia. *Man Vs Machine* is obviously his highest ARIAnet chart position while it has also debuted at #3 on the Billboard 200 behind **Elvis** and the **Rolling Stones**. This features a relative who's who of the rap world with **Dr Dre** producing and features **Nate Dogg, Eminem** and **Busta Rhymes**.

No.11 THE YOUNG AND THE HOPELESS – Good Charlotte. **Good Charlotte** return with their follow up to their eponymous debut album with a successful debut position of #11. They also had a #7 debut on the Billboard 200 making them big players in the US as well. *The Young and The Hopeless* features the single *Lifestyles Of The Rich And Famous* which peaked at #17 last week for their first ARIAnet top 20 single.

No.16 POWER IN NUMBERS – Jurassic 5. LA based hip hoppers **Jurassic 5** are back with their second album. *Power In Numbers* has certainly eclipsed their previous effort *Quality Control* (#69, July '00) with their first top 20 result. Look out for **Nelly Furtado** in the track *Thin Line*.

No.22 LIFE ON OTHER PLANETS – Supergrass. Album #4 for **Supergrass** and they score their highest debut album position on the ARIAnet charts. *Life On Other Planets* debuted at #9 on the UK charts. This has not made the same impact as their previous three albums, especially their debut album *I Love Coco* which peaked at #1 in the land of tea and scones.

No.38 GOLDEN ROAD – Keith Urban. Aussie **Keith Urban** is now one of the biggest country stars in music today. His current single *Sombody Like You* recently became the Billboard Country #1 single. His latest album *Golden Road* is his highest ARIAnet album position and is also currently at #2 on the ARIAnet Country top 20.

No.57 A NEW MORNING – Suede. After scrapping all songs intended for this album and then starting again, UK's **Suede** finally deliver their fifth album. **Suede** virtually started the UK guitar renaissance with their eponymous debut album in 1993 which became the fastest selling debut album in the UK since **Frankie Goes To Hollywood's Welcome To The Pleasure Dome**.

No.65 PRAYER FOR PEACE – Cantillation / Antony Walker. *Cantillation* is a collection of Australia's finest professional choristers under the direction of Australian conductor **Antony Walker**. This album is a collection of songs recorded using voices as the only instrument to create an album designed to promote peace among the world.

No.76 HITS OF THE BEACH BOYS – The Beach Boys. Here is another **Beach Boys** greatest hits package featuring ten classic tracks by the summer kings. Tracks included are *California Girls, Good Vibrations, I Get Around* and *Surfin' USA*.

No.77 CLASSIC COLLECTION – Don Mclean. **Don Mclean** is one of the classic songwriters whose tunes will forever be remembered. *Classic Collection* features the hits *Vincent, Castles In The Air, Crying in the Chapel* as well as one that a majority of the worlds population have probably sang along to - *American Pie*.

No.87 GARAGE DAYS – Soundtrack. The new Aussie rock movie by **Alex Proyas** (*Dark City, The Crow*) – *Garage Days* is accompanied by a nineteen song soundtrack. **David McCormack** (*Custard, Titanics*) and **Andrew Lancaster** have composed many songs with an eclectic mix of tracks taken from the last four decades dispersed throughout. Other artists include **Spiderbait, Supergrass, Motor Ace, Roxy Music** and **Sonicanimation**.

No.96 NO PADS, NO HELMETS...JUST BALLS – Simple Plan. With their single *I'd Do Anything* making it into the ARIAnet top 100 this week, **Simple Plan** have finally made it into the ARIAnet top 100 albums chart as well. *No Pads, No Helmets...Just Balls* is their debut album and has been released since July this year, but with their visit here with the M1 festival recently, they have been the subject of a little more sales activity.
